Watch the Brain Pop Jr. video on The Moon. Then write about how the moon changes and what you notice about these changes. You will do this on your own paper and you need to write in complete sentences. You will turn this in to your teacher when you return.

*Students will log in through Launchpad. After clicking on the Brain Pop Jr. icon, click on Science, Space and The Moon.

Choose two:

Read to a family member, pet, or favorite stuffed animal for 20 minutes.

Go to this link <http://bit.ly/2TKktKi>

and watch the Khan Academy video on telling time. Then complete the seven practice problems right after the video.

Think about a book you have read recently. Write your opinion about the story. Did you like it? What would you change about the story?

Go on a hunt to find pronouns and past tense verbs in a book or magazine. Make a list on a piece of paper to bring in when you return to school.
